

1st February 2019

Schneider Electric Australia
Price Change Notification Effective 2nd April 2019

Dear Valued Customer

We would like to inform you of a pricing adjustment effective Tuesday 2nd April 2019. You will see varying level of adjustments across our range of offers.

Throughout 2018 we saw a steady increase in a number of inflationary metrics, a trend which is expected to continue through 2019. While we have made every effort to reduce our costs to mitigate this, we have concluded a price adjustment is now necessary to maintain our current level of quality and service to you.

New price files will be made available to our direct accounts in early March to allow you time to upload to your systems ahead of the scheduled price adjustment, and to address any queries you may have in relation to the new price list.

For customers already using My Schneider Electric (MySE), the new price information will be readily available to you in your online account once the scheduled price adjustment takes effect.

The new prices will also be available on our Clipsal iCat which will continue to provide real time portable access to price and other information for products under both the Clipsal and Schneider brands.

Should you have any queries, please contact your Sales Representative or our Customer Service Centre on 1300 369 233.

We thank you for your continued support and ask that you communicate this notification as appropriate.

Yours Sincerely

Gareth O'Reilly
Zone President Pacific
