Friday 28th June 2019

Dear Valued Customer

PENDING PRICE RISE 1st August 2019

We would like to inform you, that effective August 1, 2019 we will be increasing the Burndy trade price list by an average of 5% across our product range. Due to the recent increase in raw materials, freight and energy cost's we now find it necessary to implement a price increase. Burndy does not take increases lightly and we will do our very best to limit increases going forwards.

Updated price schedules in electronic format will be available and sent on or before the 15th July 2019.

We thank you for your understanding and continued support. We remain committed to providing you with quality products, technical support and the highest level of service.

If you have any questions, please contact the Burndy Sales Team for further information

Yours Sincerely

Peter Daly

Managing Director
