Dear Customer:

RE: Price Increase Effective 1st August 2019

We wish to advise that due to increasing resin costs and to ensure we continue to provide the great products you expect from Iplex, we will be implementing a price increase for orders delivered on or after the 1st August 2019.

An increase of up to 7% will be applied across the following products:

- All Iplex PVC-U pressure pipe and fittings, Rhino[®] PVC-M pipe and Apollo[®] PVC-O pipe;
- Iplex PVC-U PVC DWV & Stormwater pipe and fittings;
- All Conduit PVC Pipe & Fittings and Telco Pits & Lids.

We trust that this notice will enable you to prepare and advise your customers in a timely manner. Your Iplex Account Manager will be in touch to explain the application and communication of this change.

We do appreciate your understanding and thank you for your valued business and ongoing support.

Yours Sincerely,

Shaun O'Brien
Head of Sales
