

13th December 2019

**Schneider Electric Australia**  
**Price Change Notification Effective 2nd March 2020**

Dear Valued Customer

We would like to inform you of a pricing adjustment effective Monday 2nd March 2020. You will see varying level of adjustments across our range of offers.

Throughout 2019 we saw a steady increase in a number of inflationary metrics, a trend which is expected to continue through 2020. While we've made every effort to reduce our costs to mitigate this, we've concluded a price adjustment is now necessary to maintain our current levels of quality and service to you.

New price files will be made available to our direct accounts in January to allow you time to upload to your systems ahead of the scheduled price adjustment, and to address any queries you may have in relation to the new price list.

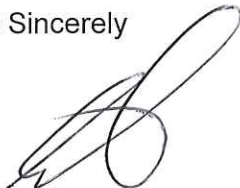

For those customers who are already using My Schneider Electric (MySE), the new price information will be readily available to you in your online account once the scheduled price adjustment takes effect.

The new prices will also be available on our Clipsal iCat which continues to provide real time portable access to price and other information for products under both the Clipsal and Schneider brands.

Should you have any queries, please contact your Sales Representative or our Customer Service Centre on 1300 369 233.

We thank you for your continued support and ask that you communicate this notification as appropriate.

Yours Sincerely

**Gareth O'Reilly**  
Zone President Pacific
