Price Change Notification

Dear Valued Customers,

Due to the global epidemic of COVID-19 and the impact this has had on the foreign exchange and commodity prices, Evolt Pty Ltd will unfortunately be required to have a price increase effective 1st May 2020 to ensure the sustainability of our business and our people. Therefore, this serves as the required 30 days' notice period.

This price increase will come into effect on any orders delivered after 1 May 2020 also noting the price increase will be applicable to all brands; Atom, Ektor, WiZ and Lutec. The average increase in prices across the pricelist will be just under 10%.

New price files will be made available and sent out on the 1st of April 2020 to ensure that there is sufficient time to update your systems before the effective date of 1st May 2020.

On behalf of the entire Evolt team, we thank you for your support and ask that you please communicate this to your teams.

Sincerely,

Fred Nimarota
Executive General Manager
