Price Increase Notification

Dear customer,

Whilst LEDVANCE always strives to keep its customers protected from economic pressures, our options to achieve this are very limited.

It is both the devaluation of the Australian Dollar against major other currencies (e.g. US Dollar, Euro) and an increase of global logistics expenditure that leaves us no other choice than to increase prices from 6th of April 2020 by 5% flat over all categories.

The new prices will be effective on all orders placed from this date onwards.

Please note that all quotations, forward orders and pricing agreements are affected by the price increase and need to be adjusted in line with the above.

If you require any further information or clarification, please contact your LEDVANCE Account Manager.

We appreciate your understanding.

Best Regards,

Craig Hewitt
Managing Director

Christoph Thalhammer
Financial Director
