Price Increase Notification: 1st May 2020

Dear Valued Customer,

We wish to advise that due to a significant increase in raw material costs from a declining Australian dollar, our selling prices will increase on the following products effective 1st May 2020. The price rise will apply as follows:

- All PVC Electrical Conduits and Fittings will increase by 7.5%
- All PVC Pressure Pipes will increase by 7.5%
- All PVC Non-Pressure Pipes and fittings will increase by 7.5%
- All PE Pipe and fittings will increase by 6.5%

A new price list will be issued during April 2020.

The price rise will apply to all orders and deliveries made on or after 1st May 2020.

We also advise that we are unable to roll over any contract prices or existing quotes.

We regret having to pass on these increases and thank you for your valued ongoing support.

Yours sincerely,

Dan McGuigan
