27th February 2020

All Key Plastics Customers

Dear Customer:

RE: Price Increase Effective 1st April 2020

We wish to advise that due to increasing raw material and other input costs and to ensure we continue to provide the great products you expect from Key Plastics, we will be implementing a price increase for orders delivered on or after the 1st April 2020.

An increase will be applied across the following products:

- All Iplex PVC-U pressure pipe and fittings, Rhino[®] PVC-M pipe and Apollo[®] PVC-O pipe, up to 5.5%;
- Iplex PVC-U PVC DWV & Stormwater pipe and fittings, up to 5.5%;
- All Conduit PVC-U Pipe & Fittings and Telco Pits & Lids, up to 5.5%;
- Polyethylene pipe, up to 4%;
- PE Electrofusion and PE Moulded Fittings, up to 4%;
- WAVIN HDPE Drainage, up to 4%;
- BlackMAX[®] and SewerMAX[®] pipe and fittings, up to 4%;
- Corrugated subsoil drainage pipe and fittings, up to 4%;

We trust that this notice will enable you to prepare and advise your customers in a timely manner. Your Key Plastics Account Manager will be in touch to explain the application and communication of this change.

We do appreciate your understanding and thank you for your valued business and ongoing support.

Yours Sincerely,

Shaun O'Brien
Head of Sales
