

17 February, 2021

Dear Customer,

This announcement serves as notice regarding the introduction of a new price list that will come into effect on the 1st April 2021, or within any contractually agreed notice period from today, the 17th February, 2021.

Whilst we have made every effort to keep any price increases as low as possible, increases in material and freight costs mean that some of the prices across the portfolio will go up.

Price files will be available from early March, to receive your copy, please complete the form at the following link:
