

Dear Valued Customer

Since the start of the global pandemic we have seen significant pressures on costs in freight as well as raw materials with most key overseas suppliers to Fantech Trade. As a result of this a price increase will become effective (across most of our range) from the 6th May 2021.

We would like to take the opportunity to thank you for your on-going support during 2020 and wish you a very safe 2021 in these unprecedented times.

Kind regards
