**Price Amendment – *Electrical Products***  
**November 1<sup>st</sup> 2021**

Dear Steve,

Please be advised that as a result of a significant increase in the cost of PVC resin it has become necessary for us to implement a price increase across all products.

This price increase of **9.3%** will be effective November 1<sup>st</sup> and applies to all products in our current Trade Price File.

PLEASE BE ADVISED that any product not delivered by Thursday October 28<sup>th</sup> will be supplied at new pricing; regardless of when a purchase order is received by APP.

Copies of updated price lists will be forwarded as appropriate or available upon request from your local APP office.

We thank you in advance for your continued support which is greatly appreciated.

Yours Sincerely,

David Hills
