

To: **Milwaukee Authorised Retail Partners**

Date: **29th July 2021**

Dear Valued Milwaukee Partners,

Please be advised that there will be a price adjustment on selected Milwaukee products from the 1st November 2021.

This adjustment will include both small increases and decreases (and in some instances, no change) to our dealer pricing and is driven by the changes we have experienced in costs to our business - please be assured that we have considered our pricing adjustment with a view to continue to offer the best value for money for our users.

We look forward to delivering the new Milwaukee product price file to you before September 1st 2021.

Best regards,

James Ballantyne
General Manager –Marketing
Milwaukee Tool Australia.
