Dear Valued Customer,

RE: B&R ENCLOSURES PRICE ADJUSTMENT EFFECTIVE 1ST November 2021

B&R Enclosures wish to advise that due to ongoing unprecedented cost increases in raw materials and freight, we are implementing a price adjustment effective 1st November 2021.

B&R Enclosures has absorbed a proportion of the increase in costs that we have experienced. However, since we will not compromise on quality, passing on some of these increases is unavoidable.

As an Australian family owned and operated company for over 65 years, our goal is to continue to manufacture in Australia and employ people from our local communities. We have an active continuous improvement program to improve business efficiency and keep costs down.

Should you have any questions, please don't hesitate to contact Mark Gosper, Commercial Manager on 07 3714 1000 or mhg@brenclosures.com.au.

We strive to deliver quality products and services at competitive prices, which our customers rely on.

On behalf of the team here at B&R Enclosures, I wish to express our sincere appreciation of your custom and we look forward to serving your future needs.

Your new price files shall be available to you from 1st November 2021

Best Regards,

Ben Bridges
Co-CEO
