Re: DKSH Cables & Electrical – Price Increase

Dear Valued Customer,

We wish to advise that effective from Tuesday 1st March 2022, DKSH Cable & Electrical will be implementing a price increase across our entire range of cables and electrical accessories. All orders placed on or after the Tuesday 1st March 2022, will be subject to the increase.

This pricing review has come about based on the combined increase in raw material, freight costs and supplier cost increases.

Price increases will vary across our range of cables and electrical accessories and updated pricing files will be sent out shortly.

With respect to quotes, all quotes will be valid only until Tuesday 1st March 2022, and based on current stock. Existing customer back orders will not be affected.

Should you have any queries regarding the above, please contact your DKSH Cables & Electrical Sales Specialist or State Sales Manager.

Yours sincerely

George Zylinski
