

1st March 2022

Schneider Electric Australia
Price Change Notification for Wholesalers Effective 1st April 2022

Dear Valued Customer,

Schneider Electric has continued to implement initiatives to offset ongoing cost pressures impacting our business. However, raw material and freight costs continue to increase necessitating a price review to maintain our quality and service levels to you.

To limit impact, selected adjustments are being implemented across portfolios resulting in some offers moving by more than others. Some will not move at all.

The overall impact of this Price Adjustment represents a weighted average increase of 4.7%

For those of you utilizing our Digital Tools, details will be updated and reflect new pricing on Clipsal.com, iCat and MySchneider from 1st April.

Should you have any queries, please contact your Sales Representative or our Customer Service Centre on 13 73 28.

We thank you for your continued support and ask that you communicate this notification as appropriate.

Yours Sincerely,

Gareth O'Reilly
Zone President Pacific
