PRICE CHANGE NOTIFICATION

Dear Valued Customer,

Substantial cost pressures have continued to impact our industry this year and we have been left with no option but to respond. As a result, we will be updating our prices effective August 1st, 2022, this will include both our Trade and your buy price.

These changes will apply to Wattmaster, Klein Tools, Alco and associated brands but will exclude Mumme Tools.

Any special price agreements will be adjusted at their expiration. New Price files will be issued closer to the change date.

Thank you for your support.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Stephen Hanlon'.

Stephen Hanlon
Managing Director
