RE: OCTOBER 2022 PRICE RISE

Dear Valued Customer,

We are writing to inform you of a price increase effective of the 1st of October 2022. We have made this decision due to the ongoing volatility we have been experiencing with freight and raw material costs, and unfortunately, we will no longer be able to absorb these costs. Please be assured that we have made every effort to keep this price increase to a minimum.

The Bizline range of products will be increasing by an average of 15%, which we believe is well below the industry average.

We wish to thank you for your valued support and understanding over the last few years. We look forward to a successful end of 2022 and 2023.

Warm Regards,

Noemie Presse

Export Sales Director
