

1 December 2022

### **Notice of Price Increase**

In line with our trading terms and in response to the changing market conditions we wish to advise of our intent for a general price review to account for external market pressures on our costs inclusive of advised increases from our suppliers. The review will result in an average weighted increase of approximately 8.0% with some individual price movements ranging depending on product Sku and will become effective on the 1st of February 2023.

A full and comprehensive price file will be sent on or before the 1st of January 2023 with the adjusted pricing to allow thirty (30) days for the new pricing to be loaded before it will be applied in the field.

#### FAQ's

- I. This will be a variable increase across all products sold through CABAC with actual % increases on individual Sku's moving both up and down to account for supplier cost notifications and to align product pricing across some selected product groups.
- II. All new orders received by us on or after 1/02/2023 will be processed at the new price levels
- III. Any backorders shipped after the 1/02/2023 will be invoiced at the pre-increase price
- IV. All quotes and contracts will remain valid relative to their expiry date
- V. All current orders for future projects with shipping dates after the 1/02/2023 will continue to be invoiced at the pre-increase price

Your continued support and understanding ensures CABAC can continue to deliver on its promise of quality and reliability. If you have any questions in relation to this notification, please contact your local account manager or [pricing@legend.com.au](mailto:pricing@legend.com.au).
