Dear valued customer.

Please be advised, due to changing circumstances around freight, exchange rate, raw material costs, and other contributing factors we will be adjusting our prices resulting in an increase across our range, effective 1st February 2023.

To ensure we maintain our competitive position in the market we have kept the increase to a minimum. For more detailed information, please discuss with your representative.

Orders placed prior to 1st February 2023 will be invoiced at the price the order was originally received when stock becomes available. Orders placed on or after 1st February 2023 will be invoiced at the new adjusted price.

We thank you for your understanding in relation to the above matter and we look forward to your continued support

Yours faithfully
MERCATOR PTY LTD

Best Regards,
