

1 February 2024

Notification of Pricing Adjustment

Dear Valued Customer,

Thank you for your continued support of Evolt and our brands Atom, Ektor and Harcroft.

It has been exactly two years since our last price review, and we have done everything possible to absorb and mitigate the continued rising costs that our business has been exposed to over that period.

Therefore, we felt that it was necessary to review our entire price file and quantity breaks to meet the changing environment.

Please note that these changes will be effective to all new orders received from **1 April 2024** and we will issue you with a new price file 30 days prior to help manage implementation in your systems.

Should you have any questions, please do not hesitate to contact us.

Best Regards

Ryan Holmner – Managing Director
