**Price adjustment**

Dear Valued Milwaukee Partners,

Just a reminder that there will be a price adjustment on selected Milwaukee products from the 1st April 2024, as we have previously communicated.

We invite you to take advantage of the March pricing as orders received after Monday 25th March cannot be guaranteed at the current dealer price list.

Thank you for your continued support of the Milwaukee brand, we look forward to another incredible year creating demand for our products with our users and supporting you, by way of continuous and consistent supply of both existing and new Milwaukee products to the market.

Best regards,

James Ballantyne
